

### Key Principles

- All persons on any Event site to adhere to PHE, PHS & HMG guidance and advice on Social Distancing Measures (<https://www.gov.uk/coronavirus>) (<https://www.gov.scot/coronavirus-covid-19>) and any direct guidance for sport resumption.
- For Events in Scotland – Riders must remain in their own bubble, and can only mix with people in their bubble. (Maximum 5 households/15 people) and social distance from other bubbles at all times.
- No non-essential persons on Event site– sport delivered ‘behind closed doors’
- Volunteer and Key Personnel to be kept to a minimum throughout the Event
- Competitors to complete their event and to leave venue as quickly as possible. Details available of who is on venue is vital in dealing with potential Track & Trace requirements.
- Support – 1 x Rider and 1 x Support per Horse
- Riders and Support to bring their own PPE – Face Coverings, Gloves and Hand Sanitiser. For use in situations where Social Distancing is not possible (Retrieving injured or loose horses for example)
- For competitors competing at venues holding FEI Classes, please note the FEI recommend the use of face masks/coverings to all on venue except competitors/athletes whilst mounted and riding/training. Please check with each event as to the policy they will be adopting over and above BE National protocols.
- For advice and protocols on Foreign Travel and Competing abroad please see up to date information on BE Website.
